

JACK FROST

3D PAPER TOY

GETTING STARTED

- Cut out all pieces along the solid lines. Don't forget to cut the slits on Jack's upper body—you'll need to insert his arms and head later.
- Fold all pieces upward or downward along score lines.

INSTRUCTIONS

DOUBLE-SIDED PIECES HEAD, ARMS, STAFF

- 1 Fold in half, glue together. After dried cut out along gray outlines. Set aside.

BODY AND ARMS

- 1 Glue Tabs A-F in order on the RIGHT SIDE of Jack's BACK. Then glue Tabs G and F.

- 2 Insert ARMS and glue down Tabs I and J to inside.

- 3 Glue Tab K to Jack's front left side, making sure to align it to the top.

- 4 Glue Tabs L-Q in order to Jack's FRONT RIGHT SIDE.

- 5 Glue Tabs R-T in order to Jack's FRONT LEFT SIDE.

 **NOTE:** In some places, especially on the LEFT SIDE, Jack's FRONT pants and shirt will overhang.

HEAD, HOOD, AND STAFF

- 1 Insert HEAD Tab U and glue down to inside. Glue Tabs V and W to top of HOOD.

- 2 Glue Tab X to the RIGHT SIDE of Jack's BACK, aligning Tab to the top. Repeat on the LEFT SIDE with Tab Y.

- 3 Glue Jack's magic staff to the backside of his right hand.
YOU'RE DONE!
