

SANDMAN

3D PAPER TOY

GETTING STARTED

• Cut out all pieces along the solid lines. Don't forget to cut the slits on Sandman's ROBE and COLLAR—you'll need to insert his arms and head, later.

• Fold all pieces upward or downward along score lines.

MOUNTAIN FOLD

VALLEY FOLD

INSTRUCTIONS

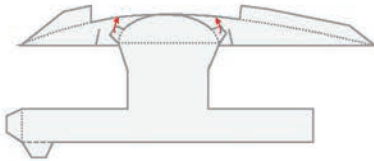

DOUBLE-SIDED PIECES HEAD, ARMS

- 1 Fold in half, glue together. After dried cut out along gray outlines. Set aside.

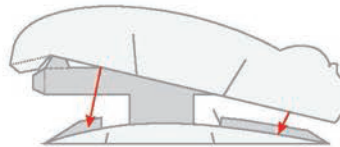

BODY

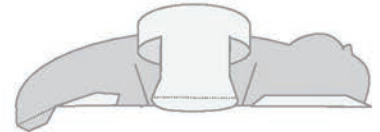

- 1 Glue Tabs A and B underneath the bottom of the COLLAR. Hold in place until glue dries.

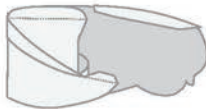

- 2 Turn over COLLAR and BODY then glue the inside of Tab C to the inside of ROBE LEFT. Be sure to align the arm slits. Repeat with Tab D on the other side with ROBE RIGHT.

- 3 Wrap Tab E of the BODY around to its opposite end and glue together, forming a ring.

- 4 Turn over and wrap the RIGHT ROBE around the BODY. Fold Tab F around ring. Glue.

- 5 Glue the backside of Tab G to the inside side of ROBE, making sure to align the edges. Hold until dry.

- 6 Wrap the LEFT ROBE around BODY and glue in place.

HEAD & ARMS

- 1 Glue Tab H on the back of HEAD to BODY, aligning the points to the top of the BODY. Slide arms into the slots on the side of BODY.

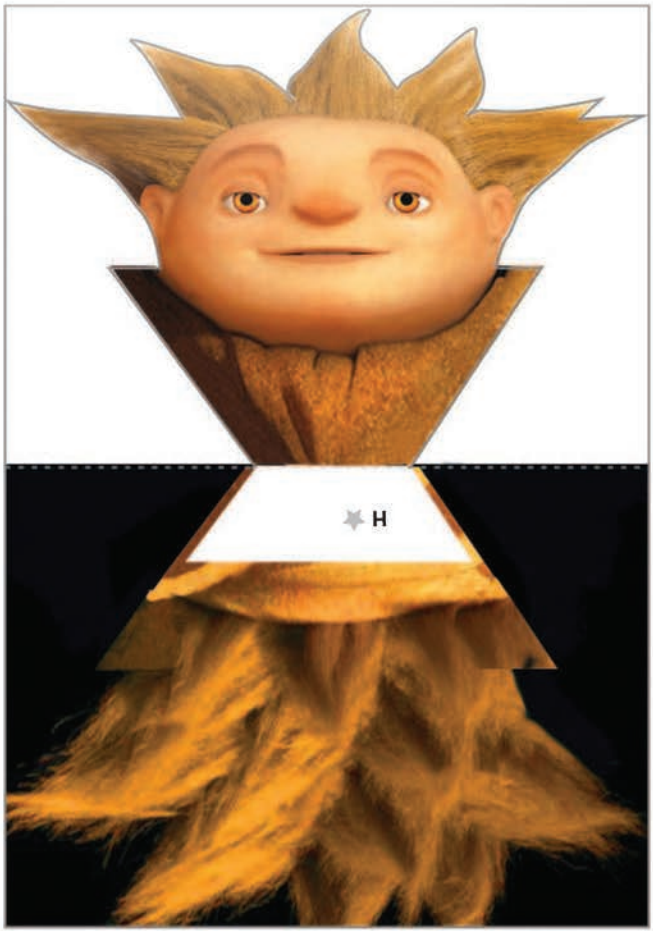

STAND

- 1 Insert Sandman's right and left edges into the slits of his stand.
